

the ultimate drinking water appliance™

iON
pure refreshment™

Clean. Simple. Smart.™

- 1 **Freshly Filtered Water**
Every glass is freshly filtered and instantly chilled in a sealed system. With Ice Bank technology, there is no reservoir to clean or sanitize.
- 2 **InstaChill™ is really cool**
Patented cooling system delivers 8 gallons of cold water per hour, up to 10 times greater than other coolers.
- 3 **RapidHot™ turns up the heat**
Tea, cocoa, and even instant soups are delicious with piping hot, filtered water. RapidHot provides 2 gallons per hour and Hot Safety feature is standard.
- 4 **Sparkling Water really refreshes**
The healthy softdrink for everyone. Perfect with juice or a twist of lemon or lime... or use SPLASH™ flavorings from Natural Choice.
- 5 **Save energy... and money**
Every ION is equipped with energy-saving SleepMode™ which reduces energy consumption on evenings and weekends.
- 6 **CarbonPlus™ filters it out**
EZChange™ technology will filter and monitor 1,500 gallons of tap water and replacement is a breeze ... without tools and without turning off the water supply.
- 7 **Hygenic, award winning design**
Faucet is hidden away from hands and cups ... even accomodates pitchers and carafes. With every hot water dispense, faucet is sanitized.

REFRESHCenter™

Perfect for home or office... in the breakroom, kitchen, or recreation room. Place a coffee machine or microwave on top and the ION can be located on the shelf below.
